

# Welcome to King George V Playing Fields

## KGV Run England Route

### What is ?

3-2-1 is a Run England project which aims to provide a range of marked out running or jogging routes across the country, so anyone can have a go. It is a way of providing a meaningful challenge to help more people get running when it best suits them.

Here at King George V Playing Field we have a 700 metre course and have installed posts at 100 metre intervals for you to use. The map on this sign shows the location of the posts and what they signify. The marker disc on each post shows you the distance around the 700 metre route. Use all or part of the course as you feel you want to.

### King George V playing field

The King George V Playing Field was opened in 1936 as an open space to be used for the purpose of outdoor games, sports and pastimes. The playing field was opened to commemorate the death of King George V; there is a plaque at the entrance which denotes this.
